Good morning,

We're excited to welcome you to Johns Hopkins Health System (JHHS) as part of the Revenue Cycle Management (RCM) transformation!

To help ensure a smooth transition, we ask that you complete an application using the link below. **Please include all relevant work experience** in your application — either through your resume, profile or another attachment that reflects your full employment history.

<https://career4.successfactors.com/sfcareer/jobreqcareerpvt?jobId=666824&company=SFHUP&st=B0248C3ED12B76EFD3E231D5B7D82CF71A6701E5>

Once you've submitted your application, you'll receive an invitation to attend a **placement meeting**. During this meeting, we'll walk through the transition process together, answer your questions and make sure you have everything you need for a successful start with JHHS.

Questions about the application process?

Please reach out to **David Gajan** (dgajan1@jhmi.edu) and **Suzy Helton** (shelton1@jhu.edu) — we're here to help.

Quick reminder: You can find all RCM transition communication resources [here](#).

Thank you for taking this important step. We're looking forward to working with you and welcoming you to the team!

Warm regards,

The JHHS Talent Acquisition Team
