Dear Wanda,

Thank you for joining the call today.

Please see the attached letter from Shalandan Hollingshed, Executive Director, Revenue Cycle. Included with the letter is a benefits summary sheet and frequently asked questions to assist in summarizing information related to this transition. These resources are also available at  [RCM Transition Communications](#).

Please feel free to reach out to me with any questions, or to the Benefits Service Center at 410-516-2000 for benefits-related inquiries. We are committed to supporting you through this change.

Sincerely,
Amy
